TIPS FROM A STUDENT
Studying in Speyer and living in a dormitory with German students for 6 weeks is the experience of a lifetime!

As a previous participant, I hope these suggested tips will enhance your experience from beginning to end.

Happy travels!

DON'T BRING

Shampoo, conditioner, body wash etc. Available for affordable prices at DM in downtown Speyer or Penny Mart a few blocks from the school.

Laundry detergent. Same note as above. One tip is to find 2-3 people to split the cost use it together for the next 6 weeks. No waste and cost saving!

Too much summer clothing. I wish I brought a few more long sleeve shirts and long pants/jeans as Speyer summers can be quite chilly.
